IV. Reports
   A. Director’s Report
      August 20, 2021

   COVID-19 Maryville Community Library

   The Maryville Library continues to be open for 30 minute browsing sessions. The library is now operating on the regular pre-pandemic schedule: M – T 9 – 8, F – Sat 9 – 4, closed Sunday. There are no toys, tables, or computers available.

   We will continue porch pick-up services as some patrons seem to prefer this.

   The extremely contagious Delta variant is now the predominant strain of COVID-19 in the US. More reports of “breakthrough cases” emphasize the need to continue wearing masks inside the library. Yet again case numbers are rising, so the library has no plans to restore indoor programming at the library at this time.

   The library staff continues to wear masks, social distance, and clean frequently. Items are cleaned before being returned to the shelves. We continue to make every effort to provide a safe environment for our patrons and staff. We will closely monitor guidelines and recommendations from the American Library Association, the Illinois Library Association, and other local libraries as the situation evolves.

   Outreach Activities
   Kindergarten Registration at the Maryville Elementary School Monday, August 16
   A staff member will dress as Clifford the Big Red Dog and another will greet parents with library information.

   Maryville Fall festival in Fireman’s Park, October 16
   A staff member will dress as Clifford the Big Red Dog and another will provide small crafts for children.

   Summer Reading Program
   The adult summer reading program concluded on July 31, Children have until the end of August to turn in their reading logs for the children’s summer reading program.

   The adult nonfiction book club will meet August 13.
   The adult fiction book club will meet August 20.
   The adult book groups will continue to meet in an activity room the Lutheran church is allowing community groups to use.

   Nick Waller visited Cambridge House in July to distribute books and give a short talk on historic subjects and will again visit August 18, providing their access rules do not change.

   The library staff continues to weed the collection so it will fit in the Professional Park building. Available craft supplies are being incorporated into take and make projects as the staff continues to reduce supplies, story time accessories, and other items in the garage.
I am continuing the process of applying for tax exempt status for the Professional Park Bldg. I have been consulting the Madison County Board of Review. After they check the application they will then send the paperwork to Springfield.

Library Hours: Monday – Thursday 9 – 8 pm, Friday-Saturday 9-4 pm, Sunday Closed.
