V. Reports
A. Director’s Report
   April 20, 2021

COVID-19 Maryville Community Library

The Illinois Heartland Library System delivery service will end In-Hub item quarantine on April 13. This should help libraries to receive items more promptly.

The Maryville Library is open for 30 minute browsing sessions. We don’t time anyone, but there are no toys or patron computers so most patrons easily finish selecting items in under 30 minutes. There are usually only a couple of patrons in the library at a time, so social distancing can be maintained.

We will continue porch pick-up services as some patrons seem to prefer this.

The library staff continue to wear masks, social distance, and clean frequently. Items are cleaned before being returned to the shelves. We continue to make every effort to provide a safe environment for our patrons and staff.

The nonfiction book club met with masks and social distancing on April 9 at a local church activity center. A meeting of the fiction book group is being planned for the same location in May.

Overdrive

Overdrive acquired RB Digital earlier this year. As of March 31, the Illinois Heartland Library System decided not to continue with the Overdrive/RB Digital electronic magazine service. IHLS is considering new sources of e-magazines.

Hoopla

Maryville Library’s patrons are discovering the library’s Hoopla account. Hoopla provides access to e-books, e-comic books and graphic novels, e-audiobooks, TV series, movies, and music. Sign up at https://www.hoopladigital.com/ or at www.maryville.lib.il.us/online-resources/digital-lending/. Each patron will be able to check out 6 items per month.

Take and Make Activities: Take and Make activities are designed to provide an easy activity and keep families connected to the library. In March children could pick up supplies to make leprechaun wands and in April they could adopt a library chick. The plastic eggs came with tiny pompom chicks and birth certificates. Children were encouraged to name their chicks, read to them, and share photos.
