COVID-19 Maryville Community Library

The Maryville Library continues to be open for 30-minute browsing sessions. I anticipate going back to full hours of operation on Monday, June 21. There will be no toys, tables, or computers available.

We will continue porch pick-up services as some patrons seem to prefer this.

The CDC now advises that those fully vaccinated do not have to wear masks in most situations. We will continue to require masks because there is no way to tell who has been vaccinated and children who come into the library have not yet had the opportunity to be vaccinated. The library staff continues to wear masks, social distance, and clean frequently. Items are cleaned before being returned to the shelves. We continue to make every effort to provide a safe environment for our patrons and staff. We will closely monitor guidelines and recommendations from the American Library Association, the Illinois Library Association, and other local libraries as the situation evolves.

The adult nonfiction book club will meet June 11.
The adult fiction book club will meet June 18.
The adult book groups will continue to meet in an activity room the Lutheran church is allowing community groups to use.

Registration for the Summer Reading Program began May 4. The program runs throughout the summer and reading logs are due in August. There are 112 children registered. There are also summer reading programs for adults that run through July 31.

Overdrive
Overdrive acquired RB Digital earlier this year. As of March 31, the Illinois Heartland Library System decided not to continue with the Overdrive/RB Digital electronic magazine service. IHLS is considering new sources of e-magazines. We received notice from the Illinois Heartland Library system that we should soon receive a refund.
