IV. Reports
A. Director’s Report
January 18, 2022

Audit Status. The new auditor for the library has applied for an extension.

COVID-19 Maryville Community Library
Due to the highly contagious nature of the Omicron variant and rising infection rates, the Maryville Library has once again gone to Porch Pick Up. Patrons call the library, and staff members collect the requested items, leaving them in bins on the porch.

The library staff continues to wear masks, social distance, and clean frequently. Items are cleaned before being returned to the shelves. They continue to make every effort to provide a safe environment for patrons and staff. Guidelines and recommendations from the American Library Association, the Illinois Library Association, and other local libraries will be closely monitored as the situation evolves.

Food Drive for the Maryville Food Pantry
During the months of December and January, the library has been collecting items for the Maryville Food Pantry. Suggested items include: Cereal, Sugar/Flour, Salad Dressing, Coffee/Tea, Peanut Butter/Jelly, Crackers, Hamburger Helper, Rice/Pasta, Salt/Pepper, Mustard/Mayonnaise/ Ketchup, Toilet Paper, Kleenex, and Paper Towels. All items will be donated to the Maryville Outreach Center/Food Pantry in February. There has been a very good community response to the food drive, even in porch pick up status.

The library also partnered with Representative Katie Stuart’s office to collect winter weather gear and diapers that were donated in Madison County and the Metro East.

Programs
The book groups have been put on hold due to the Omicron variant.

December’s take and make project to make toys to be donated to local no kill shelters was very successful.

New Bookkeeper and Auditor
Library staff have been working with the new bookkeeper, Franklin & Vaughn, to provide a smooth transition.

C.J. Schlosser, the auditor, collected a great deal of information from the bookkeeper and the library staff for the audit. Because they began the audit process later than usual, C.J. Schlosser applied for an extension to allow more time to process the audit.
