IV. Reports
A. Director’s Report
October 19, 2021

COVID-19 Maryville Community Library
The latest news of the COVID-19 transmission rate is cautiously optimistic, although daily hospitalization rates across the state have plateaued. For the present, the Maryville Library continues to be open for 30 minute browsing sessions. The library is now operating on the regular pre-pandemic schedule: M–T 9–8, F–Sat 9–4, closed Sunday.

There are no toys, tables, or computers available. We will continue porch pick-up services as some patrons seem to prefer this. Several patrons have thanked the library staff for continuing this service so they do not have to enter the building to pick up books.

As of November 9, Executive Order 2021-20 is still in effect. Section 1: Face covering requirements for individuals. All individuals in Illinois who are age two or over and able to medically tolerate a face covering (a mask or cloth face covering) shall be required to cover their nose and mouth with a face covering when in an indoor public place. Illinoisans should also consider wearing a mask in crowded outdoor settings and for activities that involve close contact with others who are not fully vaccinated.

The library staff continues to wear masks, social distance, and clean frequently. Items are cleaned before being returned to the shelves. We continue to make every effort to provide a safe environment for our patrons and staff. We will closely monitor guidelines and recommendations from the American Library Association, the Illinois Library Association, and other local libraries as the situation evolves.

Grant for emergency preparedness supplies for the Professional Park Bldg.
I provided the architect’s office with information about the grant application I submitted for emergency preparedness supplies for the Professional Park Building, which includes some funding for Plexiglas. That is the only item that will be physically attached to the building. The grant is funded by reimbursement. Funds must be used or obligated by September 30, 2022 and align with the approved application to be eligible for reimbursement.

The grant for $11,739 was awarded by the Illinois State Library. In addition to Plexiglas panels, it includes reimbursement for charging stations for phones and devices, a solar generator, and other emergency preparedness materials that will be useful in a variety of disasters.
Food Drive for the Maryville Food Pantry
During the months of December and January, the library will collect items for the Maryville Food Pantry. Suggested items include: Cereal, Sugar/Flour, Salad Dressing, Coffee/Tea, Peanut Butter/Jelly, Crackers, Hamburger Helper, Rice/Pasta, Salt/Pepper, Mustard/Mayonnaise/ Ketchup, Toilet Paper, Kleenex, and Paper Towels. All items will be donated to the Maryville Outreach Center/Food Pantry in February. The Food Pantry respectfully requests no canned corn or beans as they currently have plenty of these items.

Programs
The adult book group LARC will meet November 19 to discuss I Have a Bad Feeling About This by Jeff Strand. At the January 21 meeting the group will discuss The Brilliant Life of Eudora Honeysett by Annie Lyons.
LARC II will meet January 7 to discuss Finding Dorothy: A Novel by Elizabeth Letts. The adult book groups will continue to meet in an activity room the Lutheran church is allowing community groups to use.

Cambridge House is once again allowing Nick Waller to visit with books and give talks on historical subjects. His November talk will be “The History of Pizza.”

**C. Personnel Committee Report**

1. Director Search Committee Report  
   a. Job Description  
   b. Questions for Director and Board

The library attorney will review the draft of the job description and list of interview questions to ensure everything meets with all equal opportunity requirements. The goal is to have the position posted early December and the interview process started by the end of the year. All applicants are to send their information to the [applicants@maryville.lib.il.us](mailto:applicants@maryville.lib.il.us) email, which will be monitored by the search committee.
The search committee had some questions:

- Duties the Director has that the library staff may not be aware of.
- Duties the Board requires of only the Director.
- Access to accounts by the Assistant Director.

There was a motion by Sharon Frey and a second by Vivian Kerley to preapprove the job posting, upon review by the attorney, so the process moves along as fast as possible. Motion carried.

D. Treasurer’s Report.

1. **Bookkeeping Service Search** – After review of the bids from the three firms who responded (Franklin & Vaughn, YCG Accounting and Thompson & Lengacher), and feedback from the treasurers of other local libraries, the recommendation is to hire Franklin & Vaughn to start after the new year with a December changeover.

There was a motion by Sharon Frey and a second by Jessica Yakstis to engage Franklin & Vaughn as the Maryville Community Library’s new bookkeeping service starting January 1, 2022.

Roll call:

V. **New Business** – The replacement process for open board member positions was discussed. Any current new board member would be appointed until the Spring 2022 election. If that member decides to stay, he/she would run for a two year term. Midterm replacements serve until the next election, regardless of how long the previous board member had remaining in the term. The County Clerk always sends a list of board members and terms.

V. **Old Business** – The library will hold a food drive for the local food pantry through December and January.

VII. **Next Board of Trustees Meeting**
