   September 21, 2021

**Resolution of Governing Body Unincorporated Association**  – The resolution was tabled at the August Board meeting for further review. Per the Library attorney’s advice, since the Maryville Community Library is not nonprofit or an association, there is no need or purpose for the library to submit this resolution unless requested.

**New Building Furnishings – Vote on Vendor**

Two furniture vendors were compared. Louer Facility Planning, Inc., Collinsville, IL and CI Select, Maryland Heights, MO. Both have cooperative purchasing contracts through the government.

Louer Facility Planning, Inc. is recommended based upon being a more convenient location and a local Illinois company. The agreement can be discontinued at any time without penalty.

Even with cooperative prices for government entities, prices may go up next year. It is recommended to order items ahead to lock in 2021 prices. Shipping dates can be delayed up to three months after orders are placed.

There was a motion by Jessica Yakstis and a second by Rachel O’Neill to approve proceeding with a contract with Louer Facility Planning, Inc. for the new library building furniture requirements. Roger Shoup will sign the letter of intent.

**COVID-19 Maryville Community Library**
The Maryville Library continues to be open for 30-minute browsing sessions. The library is now operating on the regular pre-pandemic schedule: M – T 9 – 8, F –Sat 9 – 4, closed Sunday.

There are no toys, tables, or computers available. We will continue porch pick-up services as some patrons seem to prefer this. Several patrons have thanked the library staff for continuing this service so they do not have to enter the building to pick up books.

Executive Order 2021-20
Section 1: Face covering requirements for individuals. Beginning on Monday, August 30, 2021, all individuals in Illinois who are age two or over and able to medically tolerate a face covering (a mask or cloth face covering) shall be required to cover their nose and mouth with a face covering when in an indoor public place. Illinoisans should also consider wearing a mask in crowded outdoor settings and for activities that involve close contact with others who are not fully vaccinated.
The library staff continues to wear masks, social distance, and clean frequently. Items are cleaned before being returned to the shelves. We continue to make every effort to provide a safe environment for our patrons and staff. We will closely monitor guidelines and recommendations from the American Library Association, the Illinois Library Association, and other local libraries as the situation evolves.

**Tax Exempt Status for the Professional Park Building**
The Maryville Library’s application for tax exempt status for #15 Professional Park, Maryville, IL was approved by the Madison County Board of Review and sent to the Illinois IRS. The latest estimate for processing time is two to three months. It might be possible to receive a reply by the end of the year.

The library’s visit to Kindergarten Registration at the Maryville Elementary School on Monday, August 16 was well received. Both parents and students were happy to be greeted by Clifford the Big Red Dog. Special thanks to Diana McMahan and Heather Bowlby for taking turns wearing this very hot costume for the event.

D. **Treasurer’s Report.**
   1. **Annual Audit – New Audit Services.**

   Sharon Frey reported on her meeting with the library’s auditor, Mr. R. J. Tolliver of Donohoo McCalley & Assoc. regarding the financial details and timelines for the annual audit and financial reports that were submitted for 2020.

   Sharon also discussed problems related to the different methods of reporting done by the bookkeeper and auditor. The bookkeeper prepares a report of the annual revenues and expenses on a cash basis while the auditor uses those reports and prepares the annual report on an accrual basis resulting in different numbers.

   There was a motion by Sharon Frey and a second by Jessica Yakstis to proceed with the following changes relating to the Maryville Community Library District audit and financial reporting processes:

   1. The Maryville Community Library will solicit bids from the following auditor services:
      - Donohoo McCalley & Associates
      - C. J. Schlosser & Company
      - Scheffel Boyle Services

   2. An exit conference will be held at the completion of each audit cycle between the library director, the bookkeeper responsible for transmitting accounting data to the auditor, and the board treasurer prior to payment for services.

   3. The bookkeeper will report finances for the library district on a monthly accrual basis versus cash.

   Roll call:
   AYES: Frey, Kerley, O’Neill, Reeves, Shoup, Yakstis
   ABSTAIN: None      NAYS: None      ABSENT: Schaibly

   2. **Bookkeeping Service Agreement Revision and Financial Process**

   The library’s September 2012 agreement with its current bookkeeping service (Vision Accounting) expires the end of this year.
A new agreement is recommended with updates that are not addressed in the current agreement:
- Cash vs. accrual reporting.
- Services specifically spelled out (who does what).
- Date and timelines for services (such as, the 2\textsuperscript{nd} Thursday of each month for reports).
- Annual review and update of the agreement by the library director.
- Course of action, if dissatisfied with services.
- Specifics on dissolving the agreement.
- Bid and solicit other providers, if cannot come to resolution.

Without objection, the Board authorized Sharon Frey to approach Vision Accounting with draft terms for an updated agreement. No vote required
